

## Preliminary figures for Tokyo Marathon 2007

Registrations for Tokyo Marathon 2007 closed on August 18. Details of applicants are as follows.

The figures below are the number of applications processed by August 20. The final figures will be settled in early September.

Number of applicants

(1) Marathon (42.195km)

	Quota	Applicants
Mass race	25,000	75,668
Wheelchair	*25	*23

(2) 10km

		Quota	Applicants
Mass race		5,000	16,857
Special races	Wheelchair	*25	*15
	Visually impaired	*50	*18
	Intellectually impaired	*100	*77
	“Transplant”	*50	*22

\*Included in total number

<Reference>

- Since the applicants for both the marathon and 10km races exceeded the quotas, entrants for mass races will be decided by lottery. All applicants will receive lottery results in early October via e-mail or mail.
- The number of applicants for wheelchair, visually and intellectually impaired and “transplant” runners are below the quotas. All applicants will be able to participate.
- To encourage more entrants from abroad, we still open registrations through official tours.
